FOURTH WARD ELECTION OFFICERS IN TROUBLE.—On the 10th inst., Charles Sigmund and Jacob L. Baugh, the latter an election officer appointed by the Court of Common Pleas, in the Fourth Ward, appeared at the office of Mr. Magistrate Betler, and made the following affidavits:—

Jacob L. Baugh being duly sworn, deposes and says that, on the 8th day of October, 1866, he was appointed by the Judge of the Court of Common Pleas a return inspector for the Sixth Division of the Fourth Ward; that at twenty minutes before 7 o'clock A. M. of Tuesday, the 10th of October, 1866, he was present at the polling place of said division, and presented his certificate of appointment by said Court to the judge of said election division, and requested to be sworn in as return inspector; the said judge, James Dillon, replied that said Baugh had no business there, and one Frank Finnigan, a constable of said ward, threatened said Baugh that, unless he left the table at which the votes were to be received he would arrest him (this deponent). This deponent refused to leave, asserting that he was an officer of the Court of Common Pleas, and would remain inside of the polls unless he was put out by force. Whereupon Thomas J. Darney seized this deponent by the arm and shoulder and forcibly ejected deponent from the room. This deponent further says that his appointment as return inspector as aforesaid has been treated with contempt by the election officers of the said division, and that he had no opportunity to perform the duties for which he was appointed. The judge of the election (James Dillon) retained the certificate of this deponent.

Sworn and subscribed before me this 10th day of October, A. D. 1866.

DAVID BETLER, Alderman.

Charles Sigmund being duly sworn, deposes and says that he is a resident and a voter in the Sixth Division of the Fourth Ward; that he saw Jacob Baugh, the duly appointed return inspector of said division, twice forcibly excluded from the polls; said Baugh was overpowered by all the election officers inside said polling place, except James Sampson, and was forcibly driven from the polls, about 11 o'clock, being four hours after the opening of said polls, one Edward Walker was admitted to act in place of said Baugh; said Walker having been neither elected by the voters nor appointed by the Court as said return inspector.

Sworn and subscribed before me this 10th day of October, 1866.

DAVID BETLER, Alderman.

Yesterday morning the defendants, James Dillon, Francis Finnigan and Theo. J. Darney, were arraigned upon the charges specified in the affidavits, of assaulting Jacob L. Baugh, an election officer appointed by the Court of Common Pleas, of the county of Philadelphia, October 8, 1866, as return inspector for the Sixth Division of the Fourth Ward, forcibly ejecting said Baugh from the room in which election officers met for the purpose of conducting general election October 9, 1866, and preventing said Baugh from discharging his duties as an election officer. Defendants waived a hearing, and were held in \$600 bail each to answer at Court.

THE AUCTION SEASON.—The week of which to-day is the close has been a noteworthy one in its goods auction sales. Messrs. Parsons, Brinley & Co. closed up last night a two days' sale of cloths, ladies' merinos, delaines and bombazines, poplins, dress goods, and ribbons, the net proceeds of which will amount to more than three hundred thousand dollars. The sale was remarkable for the very fine character of its offerings. At least five-eighths of all the goods presented were adapted to Chesnut street and Broadway first-class retail trade. Cloaking, cloths, silks, velvets, and shawls were thus given to the trade, with a reserve, that only at intervals come under the hammer. We observe among the buyers many prominent men in the trade from Baltimore, New York, Pittsburg, and Cincinnati.

The sale of the cloths occupied the first day. The goods brought full prices, which, as they could not be duplicated, and as the styles were of the very best, was of course to be expected. The double-width cloaking and cutting cassimeres brought from nine dollars to forty dollars a yard. The dress goods and ribbons were sold yesterday, both sales progressing at the same time upon different floors. Mr. Joshua Ash and Mr. Brinley coincidentally doing duty as auctioneers. The sale was a splendid one. The representative Messrs. Beard & Hutton, the importers of the goods, was present, and at the close of the sale publicly thanked the auction firm for the business-like manner in which they had performed what was certainly two days' stupendous work.

MEETING OF FIREMEN.—A meeting of firemen was held last evening, at the house of the Globe Fire Company, Germantown road, above Second street, to make arrangements for the reception of the Kolla Fire Company, No. 2, of Elizabeth City, N. J., J. Kiley, of the Kensington Hose, in the Chair.

The Committee on Arrangements reported that the visiting company would arrive at the Kensington depot on Monday next at 2 o'clock P. M. The following companies will form the escort:—

Chief Marshal, C. K. Smith, of Kensington Hose; Aids, E. C. Cross, of Mechanic Fire Company; S. Y. Greer, of Neptune Hose; A. J. Brown, United States Hose; and J. Archer, William Penn Hose.

First Division—G. W. Masters, Good Intent Engine, Division Marshal;—Good Intent Engine, Neptune Hose, and the United States Hose Company.

Second Division—R. A. Gorman, Pennsylvania Hose, Marshal;—Globe Fire Company, William Penn Hose, Kensington Hose, and Kolla Fire Company.

Third Division—A. G. Enser, Taylor Hose, Marshal;—Mechanic Engine Company, Pennsylvania Hose, and Taylor Hose.

The companies will form on Frankford road at 2 o'clock, and move over the following route:—Down Frankford to Arch, up Arch, down to Fourth, thence to Arch, up Arch to Eighth, thence to Coates, up Coates to Fifteenth, up Fifteenth to Girard avenue, along Girard avenue to Ols, thence to Richmond, thence to Kensington Hose house, and thence.

BASE BALL MATCH FOR THE CHAMPIONSHIP.—On next Monday afternoon the famed base ball match between the "Athletic" of this city, and the "Atlantic" of Brooklyn, N. Y., the present champions for the grand prize of the championship of the United States, will take place. The "Athletic" leave for New York tomorrow, Sunday, at 6 P. M., and arrangements have been effected with the Camden and Amboy Railroad Company to issue excursion tickets to New York at \$4, good to return any time between Sunday and the following Tuesday evening. These tickets will not be sold at the office of the railroad company, but can only be obtained at A. Reach's Base Ball Headquarters, Chesnut street, above Front, and only a limited number will be issued. The return game takes place on the grounds of the "Athletic," Fifteenth and Columbia avenue, on Monday afternoon, October 16. It has been determined to issue only four thousand tickets of admission, at one dollar each, in order to secure every spectator a comfortable seat to witness the match. These tickets also will only be sold at Reach's. No dress of any kind will be gathered at these matches, and they who would be present had best not delay in obtaining tickets.

FUNERAL OF A PROMINENT ODD FELLOW.—The funeral of William M. Allen, of San Francisco, Cal., took place on Thursday afternoon, and was attended by the members of the Grand Lodge and Grand Encampment of Pennsylvania, I. O. O. F., Fremont Encampment, No. 36; Star of Bethlehem Lodge, No. 190; and determined Mason Lodge, No. 5. Among the mourners were three members of the Order from San Francisco. The interment took place at Monument Cemetery.

INQUEST IN THE MYSTERIOUS DROWNING CASE.—The inquest in the case of John Williams, who was drowned at League Island on October 7, was concluded yesterday afternoon. Mr. Lee, who was with him when he disappeared in the water, stated that he and Williams left the boat street wharf late on Sunday night, September 30, for the purpose of going on board a schooner in which they had shipped.

When about thirty yards from the shore the two men were seen to be in a violent struggle, and a knife from Lee's pocket and stabbed Lee several times (wounds shown), when they clung, and both fell overboard. Lee then swam ashore. The last he saw of Williams was when he was getting into the boat. Lee then went to the Shipping House and made his statement, when he was arrested and locked up for a hearing.

Dr. Shapleigh made a post-mortem examination, but there was no mark of violence on the person of the deceased sufficient to cause his death. The jury rendered a verdict of found drowned.

CONGREGATIONAL.—Rev. Samuel Fairley, an eminent Congregational divine, late of King's Church, England, having received and accepted a unanimous call to the pastorate of the First Congregational Church in this city, will be examined and installed by a council of Congregational churches to be held on Friday afternoon next, in the chapel, Frankford road and Montgomery avenue. Since the commencement of this religious enterprise in the summer of 1862, the denomination has been increased by the addition of four other new churches. The last one, denominated the Plymouth Congregational Church, Rev. Frank Russell, pastor, was organized last Sabbath in the hall, Ridge avenue, below Jefferson street. Rev. L. W. Hart, of Brooklyn, preached the sermon.

NEW CHURCH TO BE DEDICATED.—The Methodist church has completed a very handsome church edifice at Nineteenth and Poplar streets, and it will be dedicated to the worship of God on the 17th inst. at 7 o'clock, with a sermon by the Rev. J. H. Reister, formerly a conductor on the Second and Third Streets Passenger Railroad, and the other was named Martin F. Hall, who was on his way to New Orleans, the purpose of establishing himself in business in that city.

FOUND DROWNED.—The body of Adolph Hahn, formerly employed at the Powder Magazine, was found on a log in the Delaware river. Deceased was lost of a boat a few days ago.

CORNER-STONE TO BE LAID.—The corner stone of the Bethany Presbyterian Church, at Twenty-second and Shippen streets, will be laid on Monday afternoon. Reverend Dr. Boardman and others will participate.

ENTERPRISE.—The great requisites for success in America are pick and enterprise; and Heimbild, the well-known drugist, has in his business career evinced both of these qualities. The consequence is that he has achieved a success. He has one of the best establishments in New York city, while the reputation of the well-known Heimbild's Preparations is co-extensive with civilization.

These preparations, it is almost needless to say, are New Orleans medicines, but in addition to them they are simply legitimate, scientifically compounded preparations, which, for their appropriate complaints, are without a rival. They have been before the public for many years, and are at the present moment more in demand than ever. This shows conclusively their genuine merit. At Heimbild's New Orleans medicines, besides securing in addition to these preparations—the Extracts of Buchu and Sarsaparilla—are sold all varieties of Drugs and Chemicals, and the establishment, in addition to the city of New York, and the public are respectfully invited to call and judge for themselves. Depot, No. 104 S. Third street and No. 594 Broadway, New York.

IMPORTANT QUESTIONS SUBMITTED TO THE ATTORNEY-GENERAL.—What is your size for pantaloons around the waist? What is the length of inside seam? What is the size around the most prominent part of your chest? What is the distance from the middle of your back to end of your cuff (with arm crooked)? What is the length from your collar to your waist, and from there to the end of the skirt?

Answers to these questions, these questions depend on the perfectness of the fit of a suit of clothes sent from Charles Stokes & Co.'s one price, under the Continental mark.

Messrs. C. Somers & Son, No. 625 Chesnut street, under Jayne's Hall, not only offer the most perfect stock of fashionable ready-made apparel for gentlemen, but also manufacture the choicest and most improved materials but they are selling at lower rates. We have taken some pains to ascertain the relative price charged at our leading stores, and find that Mr. Somers & Son, No. 625 Chesnut street, is a positive fact, which all would do well to profit by.

HOMOEOPATHIC REMEDIES.—One of Dr. Humphrey's cases of medicines, containing thirty-five vials, embraces remedies for every well-known disease, and costs \$10. A family provided with one of them will save during the year ten times the amount of their cost, in obtaining the necessity of medical attendance, besides securing its members from protracted and serious illness. The trifling outlay required should be a consideration with all who believe in the axiom that "prevention is better than cure." These remedies are available for such a purpose.—New York Courier.

JOY TO THE AFFLICTED.—Persons afflicted with any disease arising from a disordered liver or stomach, nervous debility, dyspepsia, or liver complaint, should try Perry Davis' Pain Killer. It seldom fails to effect a cure in a very short time. Sold by druggists generally throughout the United States.

MARTIN LUTHER once thought he saw the Devil in his chamber, and threw an inkstand at his head. Had they had in those days Ayer's Pills to exorcise all the devils that come from a disordered stomach, his laughable irrt would not have become a matter of history.
